

## *Some changes have taken effect...*

since SMECO upgraded its computer system February 19, 2007.

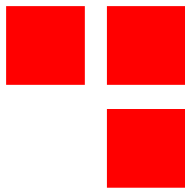

## *All customers have a new account number.*

Please use your new account number when making payments.

If you use the Internet for your payments or if you use an electronic payment vendor such as Check Free, please update your account number with your payment service.

## *Customers in St. Mary's County,*

you will see a change in the way the energy tax is calculated. The county has set the tax rate at 2.5 percent of your Standard Offer Service energy and demand charges.
